Skills

Programming: Java, Python, JavaScript

Frontend: HTML, CSS

Backend: Java, Spring Boot, Hibernate

Database: MySQL

Core: OOPs, DSA, Exception Handling, Multithreading, Collections Framework

Projects

MovieFlix Frontend Website | *HTML, CSS, JavaScript, REST API, JSON*

[Live Demo](#)

- Developed and deployed a responsive **MovieFlix** application using **HTML, CSS, JavaScript**, and **TMDB API**, implementing dynamic movie search, ratings, posters, and details through REST API integration and DOM manipulation.

ATM Card Security System | *Java, OOP, Exception Handling*

[GitHub](#)

- Developed a console-based **Java ATM Card Security System** implementing PIN authentication, balance management, transaction processing, input validation, and exception handling.

Java Shopping Application | *Java, OOP, Collections*

[GitHub](#)

- Developed a console-based **Java Shopping Application** implementing product selection, cart management, and purchase workflows using **OOP concepts, collections, and input validation**.

Experience

Tap Academy

6 Months

Java Full Stack Development Intern

- Completed a **6-month hands-on internship** in **Java Full Stack Development with AI**, working with Core Java, OOP, SQL, HTML, CSS, JavaScript, Spring, Spring Boot, and Hibernate.
- Developed practical applications and strengthened skills in **backend development, database connectivity, REST APIs, frontend development, and problem-solving**.

Achievements

- Completed a **6-month industry-oriented internship** in Java Full Stack Development with AI at Tap Academy.

Certifications

Java Programming Certification

2023

HackerRank

- Validated **Java programming** skills through coding challenges covering **OOP, control statements, exception handling, collections, and problem-solving**.

Basic Java Programming Certification

2024

SkillRack

- Demonstrated proficiency in **Java fundamentals**, including variables, loops, arrays, methods, classes, OOP concepts, and basic algorithms.

5-Day AI Agent Intensive Course with Google

2025

Kaggle | Google

- Completed intensive training in **AI Agents, LLMs, prompt engineering, tool integration, autonomous workflows**, and real-world AI applications.

Java Bootcamp

2025

LetsUpgrade

- Completed hands-on training in **Core Java, OOP, Collections, Exception Handling, Multithreading**, and practical programming.

Education

Raghu Engineering College

2023 – 2026

B.Tech in Artificial Intelligence and Machine Learning – CGPA: 76%

Visakhapatnam, A.P.

Government Polytechnic

2020 – 2023

Diploma in Computer Engineering – CGPA: 65.4%

Proddatur, A.P.

ZPHS Bhagyanagaram

2019 – 2020

SSC – CGPA: 93%

Bhagyanagaram, Dornipadu, A.P.
